

**National Public Lands Day**  
A National Environmental Education Foundation Program

*At Arch Creek Park  
A local Community Building Event*

Come help us beautify our natural areas by assisting park naturalists remove invasive plants, mulch trails, and have fun getting back to nature! After getting down and dirty join us for a picnic, and some fun in the sun. Call for more information.

**Date:** Saturday September 26th, 2009
